Missouri Retired Teachers Association & Public School Personnel

“DON’T Retire REWIRE!

Book by Jeri Sedlar & Rick Miners

Congratulations on Your Recent Retirement!

WHAT IS MRTA?

The Missouri Retired Teachers Association and Public School Personnel (MRTA) is an Association made up of public education retirees boasting STRENGTH IN NUMBERS being over 16,000 members strong from every part of Missouri.

WHY MRTA NOW?

Now that you have retired, you need an association working to protect your retirement benefits. **MRTA is the only education association in Missouri where your retirement benefits are the Number One priority!** Formed in 1960, MRTA is the reason Missouri Education Retirees can boast having the best retirement benefits in the entire nation. We may be 43rd in the nation in teacher salaries, but there is no doubt we are Number One in retirement benefits. Your benefits must last you a lifetime. Remember: the Legislature gives and the Legislature can take away. The Legislature has the power to raise benefits; and likewise, they can also reduce benefits at anytime. MRTA is your only voice and advocate when it comes to retirement issues. There is “PEACE OF MIND” in belonging to MRTA, all for only pennies per day!

HOW MUCH?

MRTA dues are only \$30 per year. For only \$30 dollars a year you can receive that peace of mind knowing you are our Number One priority. MRTA works hard for you everyday at the Capitol buildings in Jefferson City and Washington, DC. MRTA is the watchdog over your \$30 billion invested at the PSRS/PEERS Retirement System.
