

Associate Renaissance Consultant, Part Time -- Renaissance Learning, Inc.

An Associate Renaissance Consultant (ARC) delivers high-quality, onsite Professional Development and consulting services on a per-diem basis, to promote best practices with Renaissance solutions including STAR Assessments, Accelerated Reader, Accelerated Math, NEO 2, and the 2Know! Classroom Response System.

The successful candidate has a proven record of accelerating learning for all students with Renaissance solutions, and is a polished presenter who can share his or her Renaissance story and ignite learning in others. Additionally, the successful ARC candidate is available to accept assignments on a regular basis, and has additional availability to attend internal training events.

Qualifications:

1. Bachelor's degree or higher in Education or related field.
2. Classroom and/or administrative experience successfully implementing Renaissance solutions.
3. Able to engage learners through personalized onsite Professional Development and consulting services.
4. Exceptional oral and written communication skills.

The ARC position requires extensive travel. As a result, a successful ARC candidate is one who:

1. Is available on short notice to accept onsite Professional Development and consulting assignments. An assignment is described as a full day of onsite Professional Development or consulting. Each assignment includes the actual date of the onsite seminar, travel to/from, and all preparation for the seminar. This could be up to an average of 6 days per month.
2. Lives less than 1 hour from a major airport.
3. Available to attend onsite training in the Renaissance Learning Dallas, TX and Wisconsin Rapids, WI offices.

About Renaissance Learning

Renaissance Learning is a leading provider of technology-based school improvement and student assessment programs for K12 schools. Adopted by more than 70,000 schools, Renaissance Learning's tools provide daily formative assessment and periodic progress-monitoring technology to enhance core curriculum, support differentiated instruction, and personalize practice in reading, writing and math.

Renaissance Learning products help educators make the practice component of their existing curriculum more effective by providing tools to personalize practice and easily manage the daily activities for students of all levels. As a result, teachers using Renaissance Learning products accelerate learning, get more satisfaction from teaching, and help students achieve higher test scores on state and national tests.

Renaissance Learning has seven U.S. locations and subsidiaries in Canada and the United Kingdom.
